## **Development and Peace**

Jesus goes into the wilderness to prepare himself for the ministry that lies ahead. This Lent, we, too, wander in our own spiritual wilderness, preparing ourselves for renewal. We may wish to reflect on how well we listen to voices different from our own. In 1979, Development and Peace led a campaign to support the Grandmothers of Plaza de Mayo, in Argentina, whose children and grandchildren disappeared under the military dictatorship. This Lent, Development & Peace invites you to listen to the voices of women, like Marta and Silvia from Paraguay, who are working to build the world of tomorrow by organizing markets to support women's capacity to feed their communities. Go online to [www.devp.org](http://www.devp.org) or pick up our mini-mag to hear their story. Go to <https://www.devp.org/en/donate/sha-relent> to support women like Marta and Silvia. Thank you for your generosity!
