Rachel's Corner

"We are in the process of being changed and we have not arrived yet. There is continual change as we allow God to be our one and only source. You don't have to be mad at yourself that you are not what you ought to be yet. The more guilt and condemnation you drag around with yourself the less likely you are to keep changing. Your future has no room for the regrets of your past."-JM

Have you been dragging your self-condemnation and guilt from the past? Are you ready to emerge from that prison and be set free?

Come on a Rachel's Vineyard Retreat and receive healing from your abortion.

Development & Peace

Today's reading contains one of God's most challenging commandments – to love your neighbour as you love yourself. By supporting our brothers and sisters around the world, we show love and solidarity through our actions. In the Philippines, D & P – Caritas Canada has helped to from the Community of Yolanda Survivors and Partners, an alliance of 172 local organizations who are seeking active citizen participation in the reconstruction efforts following Typhoon Haiyan. The CYSP protected 10,000 already marginalized families who were threatened by displacement due to the construction of a government sponsored tide barrier project. This was made possible in part to the \$243,758.54 raised by the Diocese of Nelson for the Philippines. For more information on reconstruction efforts, please visit <http://www.dev.org/en/emergencies/philippines>
