Development and Peace

God is generous to all, acting only in faithful love. We are reminded in Matthew's Gospel that the kingdom of Heaven is like the landowner who pays generously to both they who arrive first and those who come last. Likewise, let us examine ourselves, whom within God's Holy Spirit indwells, and foster a spirit of generosity and Solidarity with our whole human family. This includes advocating for the women at the heart of the peace process. Though women are underrepresented in decision making, they play unique and irreplaceable roles as peacemakers. As the percentage of women in parliament increases by 5 percent, a state is 5 times less likely to use violence when faced with an international crisis. May Peace Be with Her. Visit devp.org, or speak with your parish's Development and Peace representative, for more information on our current campaign.
