Assisted Suicide and Euthanasia THINK ABOUT IT!

Used to describe assisted suicide
and euthanasia, euphemisms such as
“medical aid in dying” or “mercy
killing” or “dying with dignity”
imply that people who die of natural
causes lack dignity, or suggest that
euthanasia and assisted suicide are
justified so long as they are done
“compassionately” or with the aid
of a medical professional.

Development & Peace

Matthew's Gospel emphasizes the Lord's Commandment to refrain from acts of anger and violence. South Sudan, the youngest nation on earth, has been overwhelmed by violence and civil conflict since its independence in 2011. D & P – Caritas Canada continues to support Caritas South Sudan in its efforts to foster peace, democracy and reconciliation in the region. Thanks in part to your continued generosity, our partners are able to provide food, water, healthcare and access to education for those affected by the conflict.
